

Virtual VA eHealth University

vVeHU 2012 Exhibit Hall - Booth and Poster Guide

August 15-23, 2012

MyVeHU Campus Exhibit Hall

Virtual VA eHealth University 2012 is excited for your participation in the MyVeHU Campus virtual exhibit hall. The exhibit hall will offer booths from various Department of Veterans Affairs Program Offices and program projects. vVeHU Exhibit Hall will also have poster presentations!

The exhibit hall will provide you the opportunity to network and learn about other VA programs, program offices and best practices. You will have the ability to chat live with representatives from each booth and poster. And, if you miss the two networking sessions there is still the ability for you to “leave a message” for the booth or poster representative! Booth representatives will be checking their messages periodically during the following times.
